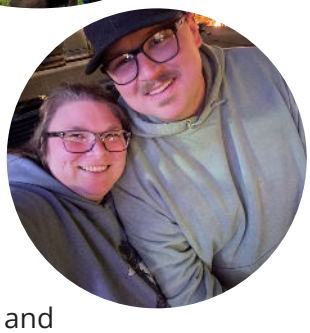
Brendan & Pam

Hello!

Thank you for taking the time to learn a little about us! We are Brendan and Pam, and we are grateful for the opportunity to share our story with you. We understand that adoption is a deeply personal decision, and we want you to know that we have great respect for you and your journey.

We met in 2022 and quickly discovered our shared love for family, adventure, and the simple things in life. We have always dreamed of becoming parents, and adoption has been part of that dream since early in our relationship. Brendan is hardworking, patient, and enjoys woodworking and volunteering as a firefighter. Pam is caring, outgoing, and has a passion for working with children and families through her career in early childhood education.



We live on 11 acres in a small town in a home originally built by Brendan's grandparents. We enjoy camping, gardening, traveling, hosting game nights, and spending evenings around the fire pit with family and friends. Our friendly dog, Oliver, is also a big part of our lives. We look forward to sharing these experiences and creating new traditions with a child.

Family, faith, and community are very important to us. We are blessed with supportive family and friends who are excited to welcome a child into our lives. As parents, we hope to provide a loving, stable home filled with laughter, encouragement, and opportunities to learn and grow. We want our child to always feel safe, valued, and loved for who they are.

Thank you again for considering us as you explore your options. We would be honored to share our lives with a child and are committed to respecting their story and the important connections they have with their birth family.

With love,
