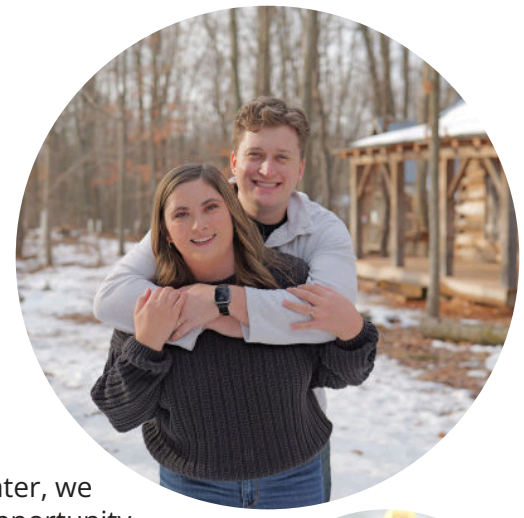
Michael & Paige



Welcome!

We have not met yet, but we are beyond thankful for you and the selfless decision you have made. Above all, we want you to know that we are praying for you throughout this process. We are grateful that you have taken the time to learn more about us, and we hope to get the opportunity to learn about you! Michael is a dedicated and caring person with a witty sense of humor and a positive Outlook on life. Paige is a tender-hearted person with a passion for helping others and a love for travel and adventure.

Our story began when we met at work at just sixteen years old. Ten years later, we find ourselves nearly four years into our marriage. We are excited for the opportunity to grow our family through adoption, and we cannot wait to become parents. As a couple we enjoy playing pickleball, traveling, taking walks through our neighborhood, and going to the movies. Summertime is our favorite as we spend a ton of time up north at our family's lake house boating, swimming, skiing, and tubing.

We are excited to involve our future children in all our adventures. Family and friends are a priority in our lives. We are lucky enough to live close to both of our families, and we love spending time with them. We enjoy family brunch after mass, busy holidays seeing everyone, family game nights, and vacations together. Our friends are extended family. We love having weekly gatherings with friends, having frequent beach outings & camping weekends in the summer, and hosting football tailgates in our backyard. There is no lack of support or love from our family and friends, and they are excited to embark on this next journey of parenthood with us.

Thanks again for reading our webpage, we are grateful for your consideration and we can't wait to form a relationship with you.
