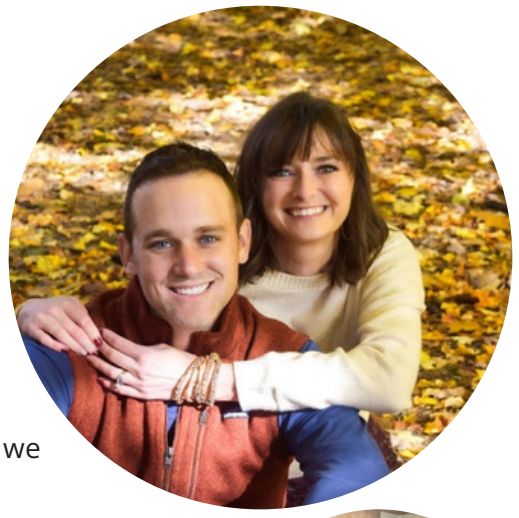
Travis & Joan



Hello!

Thank you so much for the chance to get to tell you about our family! We admire so deeply the courage it must take to make this decision, and we are so in awe of you. Thank you for taking the time to get to know us, throughout the process if you have any questions about us as a couple/family, please know we are very transparent and happy to answer any questions you may have.

We have been together for 8 years, and married for 5. We met at a wedding we were in together. The desire to adopt has been a cornerstone of our relationship from the beginning, we know we could provide an amazing and loving home and childhood.

Travis has a big heart, and is so kind and generous. Joan is kind and sweet, with a lot of love to give. We have been waiting for a family for a long time now, and are excited to be parents! We love being outside: Travis mountain-bikes, and Joan is a runner and a gardener. Together we take our two dogs on hikes, golf, and walk to the little downtown near us.

We know this can be a very challenging decision, but if you decide to pick us we are confident we will be able to provide an amazing life full of love, joy, and family. We have a wonderful support system, and that includes 10 nieces and nephews, all very close to us, and growing. Thank you for taking the time to get to know us, and we look forward to getting to know you and your child as part of our family!
