Even though we don't know you, we have a tremendous amount of respect and admiration for you making this selfless decision. We cannot truly understand what you are going through but we are praying for you during this process. Thank you for taking the time to learn more about us!

Jon is a creative, young-at-heart person with a witty sense of humor. Kirstin is a kind-hearted person with a sense of adventure. Our story begins as high school sweethearts and have been married almost 9 years. We adopted our son 2 years ago and are very excited for the opportunity to adopt again. Milo is a loving, busy toddler and will be an amazing big brother. He loves to give others hugs, is very social and loves anything with wheels.

We LOVE to take adventures! Throughout the year, we spend a lot of time hiking, camping, going to the beach (which is 10 minutes from our home) and taking trips around Michigan & the U.S. We are excited to continue to take our children on these adventures with us. At home, we love to cook, garden outside, sing songs, bust out our silly dance moves, play with monster trucks and build cardboard box forts.

Family and friends are very important to us. Fortunately, our families both live close and we spend time with them. We enjoy having pizza nights, playing games and traveling together. All of them are very eager to have another little one in our lives - they will truly never lack a team behind them. Thank you for taking the time to consider us! We are looking forward to forming a relationship with you and your child.
